DeLEON, and ALFONSO DeLEON
Defendants

CIVIL ACTION

CONSENT ORDER AND JUDGMENT

This matter was opened to the Court by Peter Verniero, Attorney General of New Jersey, counsel for plaintiff New Jersey State Board of Dentistry, Deputy Attorney General Marilyn Bair appearing, upon the filing of an Order to Show Cause for Injunctive Relief with Temporary Restraints and Authorization for Inspection and Impoundment of Evidence and a Verified Complaint alleging that defendants Nita DeLeon and Alfonso DeLeon engaged in the unlicensed practice of dentistry in violation of the Dental Practice Act at N.J.S.A. 45:6-1 et seq. An Order entering temporary restraints and authorizing the impoundment of evidence of unlawful dental practice was entered by the Court ex parte on October 31, 1996. Defendants were served with the Order to Show Cause with Temporary Restraints on November 7, 1996.

It appearing that the defendants have agreed to the entry of a Consent Order and Judgment settling this matter, and defendants admitting that they engaged in the unlicensed practice of dentistry in the State of New Jersey as alleged in the Attorney General's complaint, and it further appearing that the entry of a permanent injunction and the imposition of an assessment are warranted, and for good cause shown;

IT IS ON THIS *8th* DAY OF *JAN.* 1997

HEREBY ORDERED AND AGREED THAT:

1. Defendants Nita DeLeon and Alfonso DeLeon shall be permanently enjoined from engaging in or offering to engage in the practice of dentistry as defined in the Dental Practice Act at N.J.S.A. 45:6-1 et seq. until licensure from the New Jersey State Board of Dentistry is secured. Defendants further shall not be permitted to own, possess or control any dental instruments, material, supplies or equipment as are customarily utilized in the practice of dentistry.

2. Defendants shall be assessed five thousand dollars (\$5,000.00) for the use of the State pursuant to N.J.S.A. 45:1-25. Said assessment shall be paid by certified check or money order made payable to the State of New Jersey and shall be submitted to the Board of Dentistry. Defendants, having elected to pay said assessment on a monthly installment basis, shall make payments of two hundred and fifty dollars (\$250.00) a month for a period of twenty (20) consecutive months commencing on the first day of the month after the entry of the Consent Order and Judgment. Payment shall be sent to Agnes Clarke, Executive Director, Board of Dentistry, 124 Halsey Street, 6th Floor, Newark, New Jersey 07101. If defendants fail to make any monthly installments in a timely manner as provided, the entire remaining balance shall immediately become due and payable without further notice.

3. The Division of Consumer Affairs, Enforcement Bureau, shall be authorized to dispose of the dental equipment and items confiscated in

the impoundment of November 7, 1996 in such manner as it determines to be appropriate. Prior to such disposal the defendants shall have the opportunity to request the return of any impounded items which are not utilized in the practice of dentistry. In the event of disagreement concerning whether a particular item is utilized in the practice of dentistry, the Board of Dentistry shall make the final determination whether the item shall be returned to the defendants.

4. This Order is intended to resolve solely the civil licensure issues arising in connection with the allegations made by the Attorney General in the Verified Complaint before the Court. The entry of this Order shall not limit the authority of the Attorney General or any other person or agency to initiate any further action permitted by law, whether administrative, civil or criminal, in any court of competent jurisdiction in connection with any other matters.
